No. 14 - October 2018

Dear Trintella friend,

Your board has some news: during our 10th quinquennial we have welcomed our 250th member of the Trintella Vriendenkring. This means that we have grown with over 70 members in these last five years, and there have never been this many members. This is, however, not the reason we will not address you with your name in our newsletters for a while, technical complications are. We hope you enjoy your read, and to see you at the Fall Reunion.

The TVK Fall Reunion in 's Hertogenbosch will be festive!

This year's anniversary will be celebrated on Saturday November 17th, during our Fall Reunion in 's Hertogenbosch. We will be guests at WSV Viking at the Ertveldplas, the association harbour where Anne Wever was warden, a stone's throw away from the former Trintella shipyard. While the Spring Meeting in Veere was festive already, this Fall Reunion will be a proper anniversary party!

The board has worked very hard to ensure an extra festive programme.

The programme for that Saturday will be as follows:

At 10.00 we welcome you in the WSV Viking clubhouse, with coffee, tea and a Bossche Bol, the pastry 's Hertogenbosch is famous for.

Between 10.30 and 11.00 we will leave for the former Trintella shipyard (see picture), for an interesting and elaborate cruise in the waters in and around 's Hertogenbosch, with the Jeronimus Bosch and the Oude Dirk.

Around 12.30 we will have lunch aboard the excursion boat and, if the weather will allow it so, we will be dropped off in the inner city at 14.00. There will be the opportunity to stretch the legs, shop or get a drink.

At exactly 16.00 we leave for the final part of the cruise.

We dock around 17.00 at the Ertveldplas, where an aperitif will await us in the WSV Viking clubhouse.

There will be a short General Meeting of Members at 18.00, during which our chairman Loet Geldhoff will pass on the gavel to his prospective successor Helms van der Vegte. After this we will welcome some old employees of the shipyard and dinner will commence. Dinner will end around 21.30, and we will conclude the day at 22.00.

The costs for participation are € 65 perperson over 13 years of age. Participants under 13 will be paid for by the TVK.

The application form can be found [as reply mail](#) to our secretary. Complete it and hit send. If this does not work secretary Peter van der Waa is ready to assist (secretaris@trintella.org of +31 (0)6 57 88 80 01).

For the participants that would like to spend the night, we have the option of one of the 24 rooms in hotel De Soete Moeder, for €86 per night, and with 50% off on breakfast. This hotel is built in an old monastery, and is close De Viking. The hotel has a great kitchen and a pleasant restaurant for a lovely dinner. Reservations can be made by telephone +31(0)73 2048840 or by emailing info@desoetemoder.nl.

Request: can participants who have already booked a room, please confirm it with the hotel, by phone or e-mail? Thank you.

Should De Soete Moeder turn out to be booked completely, then the Eurohotel and Hotel Central are good alternatives. We have no arrangements with these hotels, however. We look forward to seeing you!

The TVK archive expanded

New to the archive are several drawings that have been made by the shipyard during the finishing of a Trintella 44 hull. We show a nice example, the deck plans.

Seen by and for you

In our newsletter of March 2018 we mentioned the film *Adrift*, based on a book by Tami Oldham, in which a Trintella 44 named *Hazanah* has an important role. After seeing this film, some of our members have recorded their experiences. Theo van Erp, who saw the film with Riekje Wever, points out details that are impossible to the eyes of a trained sailor. Our

secretary Peter van der Waa, who saw the film with his wife Liedeweijde and knew Tami from the composition of the Trintella book, puts more emphasis on the emotional side of the story.

In memoriam Jan Koger

We have received the sad message that Jan Koger (Trintella 38, *Time Out*) has passed away on September 25th, at the age of 81. We will remember Jan as a passionate sailor. He loved to visit the TVK events in spring and fall, together with his wife Ina, and they enjoyed participating in the races in Lelystad (2017) and Amsterdam/Muiden (2015). On the way to Amsterdam he even helped out a stranded boat on the IJ, by towing it to a safe location. Jan was nothing if not a helpful and lovable man. We wish lots of strength for Ina and family while dealing with this tremendous loss.

Condolences can be sent to: mevr. Ina Koger-de Graaf, Benedenweg 321, 1834 BE Sint Pancras.
