

## For sale

Trintella IIa, *Cloud Nine*

Price: Euro 29.500,- incl. VAT (VAT declaration available)

### summary;

well maintained and also easy to maintain Dutch Classic Yacht.  
Design Van de Stadt and build by Anne Wever shipyard, 's-Hertogenbosch commissioning nr 619.  
Build and 1971 and the hull by Tyler UK under Lloyds.

Comfortable ship to sails and fine seakeeping behaviour .  
Fully equipped for long coastal traveling .  
Now still in its winter storage but is fully ready to sail.  
The original 6-piece Trintella porcelain tableware is on board such as the barometer and clock.  
Comfortable head clearance inside and sufficient locker space .

We owned the ship during 35 years  
Made long journeys to the UK Engeland, Scotland, Ireland en all Scandinavian counties.
